

EBA

The comprehension of the entire braking process:
from pedal to tyre.

Lack of braking before collisions:

No braking reaction

39%

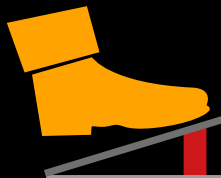

of car
drivers

26%

of truck
drivers

Ineffective braking reaction

40%

of all
drivers

Braking with Emergency Brake Assist (EBA)

100%

**braking
performance**
before collisions
automatically

Vision Zero

Accident avoiding driving - innovatively powered **by Continental.**
